

## Neighborhood Stabilization Program Guidelines

You > Home > Community

The Neighborhood Stabilization Program (NSP) is funded by the US Department of Housing and Urban Development (HUD) under the Housing Economic Recovery Act (HERA) of 2008. The goal of NSP is to revitalize and stabilize communities that have been hit by the foreclosure crisis. Guidelines have been established to ensure these funds are used properly.

Buyers who purchase NSP properties through PRG, Inc. must have a household annual gross income below 120% of area median income. A minimum \$1,000 incentive to the buyer is required with the potential to receive up to \$7,500. The NSP incentive money can be used for up to 50% of the lender's required down payment or 100% of closing costs. This assistance is in the form of a deferred loan and is forgiven after five years.

People in Household	1	2	3	4	5	6	7	8
120% Limit	\$69,150	\$79,000	\$88,900	\$98,750	\$106,650	\$114,550	\$122,450	\$130,350

### Additional Information:

If the home is resold or is no longer owner occupied with-in five years of ownership, the entire amount of NSP assistance must be repaid to, Hennepin County.

Buyer must contribute \$1,000 of his/her/their own funds towards the purchase of the property to be applied to entry costs (i.e. inspections, appraisal fees, application fees, earnest money and down-payment).

Homebuyer must complete an approved NSP homebuyer workshop with a HUD approved counseling agency.

Homebuyers are encouraged to use a participating NSP lender
